  - e. General Information

## **I. Introduction:**

### **a. Mission Statement:**

The Palm Beach County Sports Commission’s Emergency Management Toolkit exists to provide an emergency management plan for event owners so that they may effectively prevent, prepare for, respond to, and recover from all potential incidents and emergencies in Palm Beach County.

No one can predict an emergency or disaster – especially one that will directly affect them, their employees, and their business. Yet the simple fact is that emergencies and disasters can strike anyone at any time, and anywhere.

The best way to protect one’s self from a disaster is to expect the unexpected and develop a well-thought-out emergency action plan to guide you when immediate action is necessary. This Emergency Management Tool Kit is designed to help our event owners plan for that possibility.

## **II. Key Contact Information:**

### **a. Palm Beach County Sports Commission Points of Contact**
