South Florida's Interactive Youth Sports Experience

Each July, over 5,000 South Florida youth gather for two days of FITNESS and FUN! Full of excitement and energy, festival participants have the opportunity to get hands on experience and develop skills in over 40 different sports clinics.

Each clinic is conducted by a professional from that sports area. These clinicians share techniques, enhance skills and provide an introduction to the sport.

This past year in attendance were sports franchises and facilities: Roger Dean Chevrolet Stadium, Florida Panthers, Florida Atlantic University Football, International Polo Club and Miami Marlins.

All proceeds from the Kids Fitness Festival benefit the Palm Beach County Sports Commission, a non-profit organization that provides local youth the opportunity to learn sportsmanship, teamwork and citizenship through sport. The Palm Beach County Sports Commission also promotes character development through sporting activities, lifelong physical fitness, a drug-free lifestyle, and safe and fun access to healthy activities. This event is open to groups and individuals, space at the Kids Fitness Festival is limited.
